

EXPRESS YOURSELF!

Although Karima is quiet, she knows how to make herself heard.
What are some ways you communicate to others without words?

Do you bang on a drum, too? Write stories? Draw pictures?

Write or draw your answer in the space below.

MUSIC EVERYWHERE

If you listen carefully, there is music everywhere! Karima makes note of the sounds around her—both loud and soft. A bus goes BEEP BOOP BEEP and birds go CHIRP CHIRP. What are some sounds you hear around you every day? Draw a picture of the source of the sound and write down what you hear.
